## MEMORANDUM

TO: Collector of HM Customs

CC: Director of National Roads Authority

FROM: Honourable Premier and Minister of Finance, Tourism and Development

DATE: 7 March, 2012

**Re: Request from Midland Acres**

By way of this memorandum I request that the blasting materials for Midland Acres, which are currently being held by HM Customs, be released (please see letter attached).

I would be grateful for this request to be expedited, as the company is desperately in need of the materials to proceed with their ongoing projects.

Thank you for your urgent attention to this matter.

Hon. W. McKeeva Bush, OBE, JP
