Hello All,

I would suggest we meet in the Port Conference room to ensure we have everyone prior to us heading over to the site.

Warmest Regards,

Shomari,

Thanks for coordinating this; discussion 'on the ground' is very necessary at this time.
I take it the Port Chairman is not listed due to unavailability?

I will have to request Ms. Ulett to attend on my behalf, and have the two of you update me. I've been in bed since Friday night with fever & flu symptoms. Sincere apologies to all.

Subject: RCCL Port Tuesday 20 Dec @ PORT 2pm

Premier Bush and Mr. Dilbert,

Location: Port Authority

Time: 2pm-3:30pm

Purpose: Site Inspection and discussion about Allure of the Seas tendering in 2012

Attendees: The RCCL representatives that will be coming tomorrow are Melynn Chairiello , Port Engineer and Mike Ronan Vice President.

The attendees will include the following persons from our side:

- 1) The Hon. Premier, Mckeeva Bush.
- 2) Ellio Solomon, Councilor with responsibility for Berthing.
- 3) Leonard Dilbert, Chief Officer (Ag.), Ministry of Tourism.
- 4) Shomari Scott, Director of Tourism (Ag.)
- 5) Racquel Brown, Department of Tourism
- 6) Paul Hurlston, Port Director
- 7) Joey Woods, Port Manager
- 8) Clement Reid, Port Manager
- 9) Frankie Flowers, (Security Provider)
- 10) David Kirkaldy , (Temporary Building Provider)

A furtherance of the points discussed in Miami with RCCL and in the meeting with the Port last week Monday the 12th is what we will discuss in the site inspection and the sit down meeting thereafter. My suggestion on the agenda is as follows:

Agenda:

2pm:-2:45pm

- 1) Physical Layout (Security Screening and temporary housing).

a) The two providers will be present so that we all can understand exactly what is needed from RCCL's standpoint and so that the government can see the options moving forward from our suppliers as it relates to security and the temporary housing.

b) The CIG with the PORT and RCCL to have a look at the positioning for the 3 tenders and to try and ensure the two tier system of disembarkation can occur.

2:50pm-3:30pm

- 2) Requirements Meeting (after physical layout site inspection):

NOTE: Suppliers ie Frankie Flowers and David Kirkaldy to leave.

- a. Discuss/agree on guaranteed tender docking spots. (3)
- b. Discuss/agree on guaranteed premium anchor position.
- c. Discuss USD\$220k passenger tax waiving.
- d. Discuss 50% waiving of tender fees or incentive to the tune of 50%.

Warmest Regards,

Shomari Scott

Subject: RCCL Port Visit Next Week Tuesday

Hon. Premier Bush, Mr. Dilbert, Mr. Henry,

Please note that the RCCL executives have confirmed their travel to the Cayman Islands for next Tuesday December 20th.

They arrive at 12pm, so I would suggest a 2pm meeting at the Port for an hour and a half until 3:30pm as they will need to depart to go back to the airport for a 5:50pm departure.

Premier, you had stated that you were in contact with Mr. Flowers (Security) and David (Temporary Building) from Massive. I will contact them in order to advise them of this meeting unless you prefer to speak to them directly as you had made the initial contact.

Warmest Regards,
