Dear Mr. Suckoo

**Re: Compliance of Recommendations made by the Office of the Complaints Commissioner for OMI "Penny Pinching Pensions".**

Pursuant to the the Office of the Complaints Commissioner's (OCC) Own Motion Investigation in regards to the above subject, the OCC made a total of 21 recommendations in which the OCC and your Ministry met a few times to provide direction and monitor compliance in the matter.

In reference to your correspondence dated the 15<sup>th</sup> April 2016, seeking clarification on Recommendation 20, the OCC has reviewed the process and feel there should be no change of policy in this regard. The OCC has therefore withdrawn this recommendation.

The OCC has therefore determined that your Ministry has complied or substantially complied with recommendations Nos. 1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18,19 and 21, and we will now close this matter.

Sincerely,

  
Mrs. Bridgette von Gerhardt  
Acting Complaints Commissioner

***The Complaints Commissioner Law (2006 R) at section 14 (2) notes that investigations are conducted in private, and the procedure is determined by the Commissioner. Investigative documents are not to be made public. All persons are reminded of the contempt of court provisions in sections 17 and 22 of the Law.***
