

HON. WILLIAM MCKEEVA BUSH

3 October 2022

The Clerk of Parliament
House of Parliament
33 Fort Street
George Town, Grand Cayman

BY HAND

Dear Madam Clerk,

Resignation as Speaker of the House

In recent weeks, there have been allegations made against me which have grown into a national distraction. I maintain that I did not assault anyone on the evening of Tuesday September 6th, 2022 at the CTO event held at the Ritz-Carlton, Grand Cayman.

Notwithstanding the foregoing and in the finest tradition of the Westminster model of Government, to avoid further controversy and national distraction, I hereby resign as Speaker of the Parliament effective November 30, 2022 which will provide the Government appropriate time to select and facilitate an orderly change in Speakers.

My record of service and contribution to the Cayman Islands will stand the test of time, and history will show that I have as done as much for the growth and development of this country as any other elected member of this Honourable House.

To this end, as I advance towards the sunset of my long and productive career as a Parliamentarian, I look forward to assisting the PACT government as a backbench member to advance the socio-economic circumstances of our people and improve my beloved district of West Bay.

Sincerely,

Hon. William McKeeva Bush

Speaker
